## Holiday Lecture Series

### *History & Holidays on the Rocks*

A special lecture offering in November and December. Laurie weaves together the true stories and the people behind our most enduring holiday traditions for an entertaining, inspiring, and unforgettable holiday experience.

From the origin of the first Christmas tree at Rockefeller Center in 1931, to the powerful WWI Truce of 1914, the end of the Civil War and the incredible Jewish response to Lincoln's assassination, to several pivotal points in history that originated in New York City and made the holiday season what it is today.

Laurie's engaging multi-media presentation is perfect as a lunchtime lecture or a holiday event. As a fun follow up to the lecture, treat your audience to a holiday vintage cocktail tasting straight out of the Art Deco NYC cocktail movement of the 20's and 30's.
